"PAST PERFORMANCE SPEAKS A LOT ABOUT FUTURE SUCCESS"

“

We have participated in all the Exhibitions organised by TAAPMA. Exhibitions organised in Hyderabad by TAAPMA have given us a platform to increase our visibility among the Plastic fraternity and the visitors of the southern states and have a one to one interaction with them. The frequency of such Exhibitions should be increased so that more such opportunities are available.

“

Plastic Industry has grown steadily in and around Hyderabad. We feel happy to be associated with many such success stories. It has been an exciting experience while participating in the Exhibitions organised by TAAPMA in the happening city of Hyderabad. The organisers are ever ready to oblige all our requirements. The visitors are also quite curious and knowledgeable. We look forward to participating in all such Exhibitions organised by TAAPMA.

“

Andhra Pradesh, Telangana, Karnataka, Odisha and Tamilnadu have been a fertile ground for us. This booming and discerning market makes us to innovate continuously and expos at Hyderabad are launch pads for our new introductions. Hyderabad being the gateway hub for South Indian markets, expos in Hyderabad especially organized by TAAPMA are very useful.
